

Salma Khatoon Foundation

June 2024 Report
June 1st to June 30th, 2024

Executive Summary

The Salma Khatoon Foundation, a living tribute to Salma Khatoon Farid's compassionate spirit, stands as a ray of hope for the less fortunate in Sahiwal. Founded on the tenets of benevolence, it offers cutting-edge healthcare, vital food supply, & clean water accessibility. With the establishment of relief camps and provision of complimentary services, it brings comfort to thousands annually. In homage to Salma Khatoon, the foundation's commitment to empathy is echoed in each initiative, promoting local well-being and worldwide improvement through impactful philanthropy.

Salma Khatoon Foundation's Projects

Addressing the issues stemming from poverty & unchecked population expansion, Salma Khatoon Foundation has initiated numerous programs to aid the deserving communities. Our emphasis lies on crucial public health initiatives, the distribution of food, & the safety of water supplies.

Ration Distribution

The Salma Khatoon Foundation has been consistently organizing a monthly ration campaign, providing essential kitchen groceries such as cooking oil, beans, sugar, flour, rice, and various other items commonly used in households. This initiative aims to support families in need by ensuring they have access to basic food supplies.

Monthly Vegetables Distribution

At SK Foundation, we are committed to the benefits of locally grown produce. Our initiative not only nourishes bodies but also builds a sense of community and empowerment among the women we support.

Together, we can make a meaningful impact. We distributed vegetables such as apple gourd, sponge gourd, okra, pumpkin, bitter gourd, green chilies, and green coriander to underprivileged families.

Drinking Water Distribution Statistics

At the Salma Khatoon Foundation, we believe that clean drinking water is a fundamental human right. Our initiative is dedicated to providing consistent access to safe drinking water for communities in need. By setting up distribution points and installing advanced filtration systems, we deliver clean water to underserved areas, improving health and well-being.

Our mission is to quench the thirst of those in need, one drop at a time.
